Grumplings 3x4 Calendar Easel

by Jean Manis

1. Die cut the Display Easel twice and its included ledge piece once from Toffee cardstock. Assemble the easel with tape adhesive, at the top first and then at the base, overlapping slightly. Adhere the ledge 1 1/2" from the bottom.
2. Stamp the Calendar Grumplings images on Sugar Cube cardstock with Oreo ink. Color with Copic markers or colored pencils. Die cut with the corresponding dies.
3. Decorate the patterned panel of each month of a 3x4 Calendar using Build a Scene - Calendar 2 to create "scenes" for each Grumpling image.

For the January display shown:

- Die cut Build a Scene - Calendar 2: frame from Cookie Monster, oval from Earl Grey, and curtains from Playful Patterns Bold pattern paper.
- Stamp the "Yikes!" sentiment with Oreo ink on Strawberry Milkshake. Die cut with Little Bits - Let's Talk Bubble 1.
- Adhere the scene to the January calendar panel as shown, adding the Grumpling with foam dots.
